## Custom Dress Cooler - #CURVDRS

Wool (80%wool/20%nylon). This is the most popular wool-blend cooler sold in the country! Blending the wool and nylon fibers makes for a much stronger fabric than an all-wool product. It will also include a leather front strap, fancy hips and single hidden surcingle. Decoration is comprised of the Judgement Farm logo on the left side centered, and personalization on the lower left front corner, using 1" letters in gray thread.

**Price: \$430.50**
