# And Stuff for your Horse!!

## Jacks Dry Serge Stable Sheet #7030

Made of 100% polyester. Made to the same high standards as the Baker® Blanket, our Jacks Dry Serge Stable Sheet is one of the more versatile items likely to be found in someone's tack trunk. In some of the warmest climates, one of these sheets, often called a night sheet, is all the horse clothing a horse may require throughout the year. In most areas however, they are used while trailering, after a bath, or as evening attire on cool nights. Often, in cooler climates, they can be used in conjunction with blankets for optimal comfort.

This stable sheet is custom made with black body, gray binding and red piping. Also included are two front straps and hind leg straps to prevent slippage. ThoroughQuest logo is on the left side centered, and personalization is on lower left front in 1 inch letters using red thread.

## **Jacks Wool/Nylon Dress Sheet #7016**

Jacks Wool/Nylon Dress Sheet is made of 85% wool and 15% nylon woven material. This is the most popular wool-blend cooler sold in this country! However perhaps more important the nylon fibers help minimize shrinkage. Woven to last for years!

The ThoroughQuest dress cooler will have a black body, gray binding and red piping. It will also include a leather front strap, fancy hips and single hidden surcingle. Decoration is the ThoroughQuest logo on the left side centered.

**Sizes:** up to 86". For sizes larger than 86" add 25%

**Personalization;** add \$2/letter

## **Jacks Coolerfleece Dress Sheet #7024**

It doesn't shrink or lose its shape, even under the most difficult conditions. It is machine washable and air dries in just minutes. You'll find it to be far stronger than any other cooler you may have used until now.

The ThoroughQuest dress cooler will have a black body, gray binding and red piping. It will also include a leather front strap, fancy hips and single hidden surcingle. Decoration is the ThoroughQuest logo on the left side centered.
