Jack's Wool/Nylon Dress Sheet - #7016

Wool (80%wool/20%nylon). This is the most popular wool-blend cooler sold in the country! Blending the wool and nylon fibers makes for a much stronger fabric than an all-wool product. However perhaps more important the nylon fibers help minimize shrinkage. The Tievoli Farm dress cooler will have a black body, maroon binding and white piping. It will also include a leather front strap, fancy hips and single hidden surcingle. Optional Tievoli Farm logo or name is on the left side centered, and optional personalization on the lower left front corner, using 1" letters in white thread.

Price: \$367.98

Add logo - \$55.00

Add full side name - \$35.00
